

REACH STATEMENT

Date: 30.05.2022
Revision:03

The following information is the preliminary declaration of our company.

As SIMONA PLASTECH PVC sheet manufacturer, It is aware of its responsibilities towards the protection of the environment and human health. We always follow updates on prohibited substances and restricted substances listed.

Reliance on the information below.

As of the date of this document, simona plastech pvc sheet products does not contain any of the Substances of Very High Concern (SVHC) listed on the most current candidate list - January 17th, 2022- published on the ECHA website (<https://echa.europa.eu/candidate-list-table>).

None of these substances is either intentionally added or present to the best of our knowledge, therefore, we consider that they are not present, unless at trace levels (ppm) as unknown impurities from the raw.

We are pleased to be of assistance to you.

Yours faithfully
